

Wibble Wobble by David J. Mason (sung by Dave Mason & the Masonettes)

Now I've never been much of a dancer, me
I always suffered from two left feet
I'm keen to get on the dance floor
But the girls they won't come back for more
Until I met this guy with a plan
He said I can really help you, man
If you really want to learn
You'd better start dancing this dance

A-Wibble wobble
No trouble
Bibble bibble bobble at the double
A-wibble wobble
And bobble
Bibble bibble bibble bibble bobble
Wibble wibble wibble wibble wibble wibble wobble
Bibble bibble bibble bibble bibble bibble bobble
Wibble wibble wibble wibble wibble wobble
All night long

Now you're acting too grown up
You need to do all that baby stuff
Loose your neck let it be free
Shake your head now just like me
Now extend it down your spine
Shake your body just like mine
If you really want to learn
You'd better start shaking in time

A-Wibble wobble
No trouble
Bibble bibble bobble at the double
A-wibble wobble
And bobble
Bibble bibble bibble bibble bobble
Wibble wibble wibble wibble wibble wibble wobble
Bibble bibble bibble bibble bibble bibble bobble
Wibble wibble wibble wibble wibble wobble
All night long

Now move your bottom to this tune
Let the wibble wobble take your legs too
Step right up now don't be shy
The girls they're thinking my oh my
Fellas have you seen him move
This boy's body is in the groove
If you really want to learn
You ain't got nothing to prove

A-Wibble wobble
No trouble
Bibble bibble bobble at the double
A-wibble wobble
And bobble
Bibble bibble bibble bibble bobble
Wibble wibble wibble wibble wibble wibble wobble
Bibble bibble bibble bibble bibble bibble bobble
Wibble wibble wibble wibble wibble wobble
All night long

<Bridge - sax solo>

Many years later I'm a millionaire
I wibble and I wobble and I don't have a care
All the ladies they love me
I'm famous on the dancing scene
I moved in to please a great big mansion
Secretly I'm practising dancing
If you really want to learn
You'd better start dancing with me

Come on!

A-Wibble wobble
No trouble
Bibble bibble bobble at the double
A-wibble wobble
And bobble
Bibble bibble bibble bibble bobble
Wibble wibble wibble wibble wibble wibble wobble
Bibble bibble bibble bibble bibble bibble bobble
Wibble wibble wibble wibble wibble wobble
All night long
